Re: Emergency Meeting

The Lewis County Commission will conduct an emergency meeting on Friday, February 22, 2019 at 10:10 AM. The purpose of this emergency meeting is to consider a request from Lewis County Prosecuting Attorney to hire a temporary Assistant Prosecuting Attorney. This emergency session is required because notice of a one year full time deployment was provided on February 20, 2019 and will be effective March 1, 2019. The Prosecutor must advertise and delays will require continuances that will have a traumatic effect on the courts.
