Re: *Kane County, Utah v. United States* – Class Action Lawsuit
Check in full payment of net share of Judgment for 2015 – 2017 PILT
Underpayments

Ms. Whetsell:

Enclosed is a check payable to Lewis County, West Virginia in the sum of \$1,410. That is the County's total PILT underpayment in FYs 2015 – 2017 less the pro rata share of attorney fees and reimbursable expenses awarded by the Court.

Here is how the payment amount was calculated:

1. The attorney fees (\$5,740,607.00) and out-of-pocket litigation expenses (\$26,936.96) awarded by the Court total \$5,767,543.96.
2. Subtracting that total of fees and expenses (\$5,767,543.96) from the total underpayments recovered (\$17,221,821.00) leaves a net recovery of \$11,454,277.04.
3. Dividing the net recovery (\$11,454,277.04) by the total recovery (before deduction of fees and expenses) (\$17,221,821) = 0.665102549 (i.e., 66.5102549%).
4. Your total underpayment of \$2,119 multiplied by 0.665102549 (with result rounded up to next full dollar) = \$1,410.

Column Headers from left to right:

1. Total Rxs: This is the total number of Rxs that were adjudicated or attempted to adjudicate through the use of the card (the explanation of the next couple of headers will help explain the necessity of this column).
2. Plan Priced Rxs: Caremark tracks all attempts to use the cards including when the pharmacy offers a lower price than the card can give. This is usually when the pharmacy sells a drug at cost or below cost to create foot traffic for the pharmacy or under a special purchase arrangement. This is the amount of Rxs that the card gave the best price vs. the pharmacy.
3. % Plan Priced Rxs: What percentage of the total attempted Rxs adjudicated via best price with the card.
4. Retail Priced Rxs: How many prescriptions where the pharmacy had a lower price.
5. % Retail Priced Rxs: Percentage of Rxs where the pharmacy had a lower price.
6. Total Drug Cost: All prescriptions totaled together at their card discount prices.
7. Average Drug Cost: Average Drug Cost per Rx at the card discounted price.
8. Retail Submitted Price: What the price would have been if the prescriptions weren't filled with the card.
9. Average Retail Submitted Price: Average Per Prescription price if the card wasn't presented at a discount.
10. Price Savings: Total dollar savings for all Rxs filled with the card.
11. Average Price Savings: Average price savings per prescription.
12. % Price Savings: Percentage price savings per prescription.
13. Total Utilizers: This is the total amount of people who represent the total amount of prescriptions *i.e.* some people fill multiple prescriptions. This gives you an indication of how many residents you are helping.

Hon. Agnes G. Queen
Commissioner
Lewis County
110 Center Ave Fl 2Nd
Weston, WV 26452-1964

Dear Commissioner Queen,

As President of the National Association of Counties (NACo), it is my pleasure to congratulate you on your nomination as a member of the Community, Economic and Workforce Development Policy Steering Committee.

Committee membership at the national level is a serious commitment and responsibility, but it is also a rewarding experience. A great deal of NACo's strength is in our committees and your active participation reflects and reinforces that strength. The expertise and engagement of our steering committee members is a main reason why Congress and federal agencies often look to NACo for feedback on policy decisions being made in Washington, D.C. This nomination to a NACo steering committee also presents a great opportunity to share with and learn from your county colleagues.

As a member of the Community, Economic and Workforce Development Policy Steering Committee, it is important to stay informed of legislative and regulatory action relevant to your committee. Your NACo committee liaison is Daria Daniel. Daria will send regular email correspondence to committee members and you are responsible for reviewing the information supplied and responding accordingly. She can be reached at ddaniel@naco.org.

As a member of a NACo steering committee, you are expected to participate in our monthly conference calls and attend both NACo's Legislative Conference and Annual Conference. Monthly conference calls are a great way to stay up to date on developments from Capitol Hill and to discuss county issues with your colleagues across the nation. Please note the following dates and locations for the upcoming conferences:

- NACo's 2020 Legislative Conference takes place February 29 – March 4 in Washington, D.C.
- NACo's 2020 Annual Conference takes place July 17 – 20 in Orange County/Orlando, Florida

I also look forward to working with you and the committees this year on my presidential initiative, which will explore the ways that county governments can best serve the nation's aging population.

Again, congratulations on your nomination to the Community, Economic and Workforce Development Policy Steering Committee. This year promises to be an exciting one and I look forward to working closely with you to further the goals of our nation's counties.

Sincerely,

A handwritten signature in cursive script that reads "Mary Ann Borgeson".
